STUDENTS FIRST
Trinidad State
Trinidad State Junior College

Established in 1925, Trinidad State Junior College was the first community college in Colorado. With campuses in Trinidad and Alamosa, Colorado, we provide an affordable and accessible education to students in southern Colorado and beyond.

Trinidad State offers unique academic programs in fields such as Welding, Machining, Nursing, Occupational Safety & Health, Massage Therapy and Holistic Health. We also have more traditional offerings such as Literature, History, Art and Theater.

We have a guaranteed transfer program through a partnership with four-year colleges and universities throughout Colorado. We are also home to the first and premier Gunsmithing School in the United States.

How to Apply

- Free Application (http://trinidadstate.edu/apply)
- High School Transcripts or Equivalency
- Previous College Transcripts
- Placement Test or SAT/ACT/Accuplacer
- Immunization Records

About TSJC

- Small class sizes (13:1 student/teacher ratio)
- Hands-on learning - complete some programs in as little as four months
- Tuition is at least 40% less than area four-year colleges and universities
- Local full-time students can receive an additional 20% off tuition
- Unique programs such as Aquaculture and Electrical Line Technician
- Guaranteed transfer program to Colorado four-year colleges & universities
Types of Financial Aid

- **FEDERAL LOANS** let you borrow money for college at low interest rates and do not have to be paid back until six or nine months after graduation or you stop going to college.
