PLACEMENT RATES FOR EACH PROGRAM AREA

Placement rates are the AY 10 graduate placement rates as used for VE-135 reporting. Rates are based on both certificate and degree completers, as VE-135 does not differentiate. Percentage placed are the number who indicated they were employed on their follow up surveys out of those who indicated they were employed or seeking employment.

The Zero Placement Rate Category provides additional information on those programs whose placement rate is 0% due to reporting issues, rather than a lack of placed students.

TUITION AND FEES INFORMATION FOR EACH PROGRAM AREA

Tuition and Fees information is based on Academic Year 2011 (AY 11) costs, as proposed to the SBCCOE on April 14, 2010.

Please note that total credit hours were not available for all award options within a CTE approved program.

*Book costs are calculated by dividing the CDHE recommend books and supplies parameter for financial aid student budgets for one semester by 15 credits per semester and multiplying that by the number of credits required for the program.

**Term length is based on full-time enrollment.

***Room and Board rates are based on Double Occupancy with 19 meals for FY 11, and represent the dorm with the highest dorm costs. Actual costs for other dorms may be less.
