Please note: Remedial courses are not covered by this scholarship (courses that start with a "0," i.e., MAT 020, REA 010, ENG 030) because they are not college-level classes. If selected, you must be enrolled in at least 12 credit hours, and remedial courses do not count towards this requirement. For example, if you enroll in a remedial course that is four credit hours, you still need 12 more credit hours in order to receive the scholarship.
