## THE MONTHLY SCOOP

### HANDS-ON SUMMER OPTIONS

Basic & Advanced  
Machine Shop  
June or July classes

Does that old rifle you inherited from Grandpa have a cracked stock? You can learn to repair it yourself in our Stock Repair class.

Learn tig welding in the summer  
Welding-for-Gunsmiths class (you don't need to be a gunsmith to take this class)

Earn an NCCER Core Curriculum construction certification and do hands-on work for four weeks. June and July start options

This course is an introduction to weaving. You will become familiar with the workings of a loom. A touch of social and historic context will precede a hands-on opportunity to design a small project, warp it, dress the loom with it, and begin weaving.

**Date: May 17, 19, 24, and 26, 2022 from 6-8 pm (Tuesdays & Thursdays)**

**Cost: \$105 - Includes materials**

Have you heard of "summer swirl"? You are probably thinking of a delicious cone with layers of creamy ice cream; however, summer swirl describes the process where students attending 4-year colleges take summer courses at their local community college in an effort to complete their college degree in a more efficient, cost effective way.

Trinidad State offers a variety of general education courses to help you accomplish your summer swirl.

Summer registration is open!
