Instant Italian

Learn to express yourself comfortably in Italian. You'll be surprised how quickly and easily you are able to learn Italian in this course, which provides practical, everyday words and phrases you are likely to hear if you vacation in Italy.

You will learn about the Italian language's impact on the world, the Italian alphabet, phonetics, and pronunciation, proper forms of address, expressions of courtesy, and how to make introductions. By the end of the course, you will know how to ask for help, ask directions, navigate Italian shops, book a hotel room, order a meal, and much more. Cultural notes are included throughout the course to help you better understand Italians and their way of life. You will also learn what various gestures mean to Italians.

This course is completely online - 6 weeks access

\$115 self-guided or instructor-moderated

Next instructor-led class begins July 17th

In case you haven't heard, new, well-paying jobs are on the horizon for Trinidad!

Start sharpening your skills to increase your chances of being hired by new businesses coming into the Emergent Campus!

Introduction to Python 3
Programming - online course

The Python programming language was developed to provide a way to develop code that's easy to create and understand.

Cost: \$129 self-guided or instructor-led

Next instructor-led class begins July 17.

ed2go.com/tsjc/online-courses/python-3-programming-introduction

Why is Python so popular?

- It's easy to learn, write, debug, and read due to its intuitive syntax.
- It's free for everyone.
- It provides an extensive standard library and many additional modules.
- It's constantly developed, improved, and expanded.
- It can be used for solving advanced problems in various fields.

you miss you'll land amongst
the stars"**

~Les Brown~

THE MAKERSPACE WILL BE MOVING!

The makerspace will be moving to the 3rd floor of the Freudenthal Library once the renovation is complete. Follow us on the web at trinidadstate.edu/collaboratory for updates. Below is a sneak-peak of the makerspace area. New equipment will be available after the move.

Membership fees as low as \$10 per month will go into effect July 1st. Fee amounts are available at trinidadstate.edu/collaboratory
Free for Trinidad State staff and students (except materials)

New sink & counter area

**Special flooring will lower
the noise level for those
below us.**

**Pull-down
electric to lessen
the need for
extension cords**

PRIOR LEARNING ASSESSMENT

Did you know that you may be able to earn college credit for your non-college or experience-based learning?

Prior Learning Assessment (PLA) credit is awarded for college-level learning: knowledge, skills and competencies. PLA includes skills gained from work and life experiences such as:

- Correspondence and extension courses
- Individual study and reading
- Civic, community and volunteer work
- Participation in formal courses and in-service training sponsored by associations, business, government and industry.
