TRINIDAD STATE LIFELONG LEARNING

TRINIDAD STATE CONTINUING & COMMUNITY EDUCATION

A FOND FAREWELL

It's hard to believe I have spent the last 18 years working for Trinidad State College. My last official day will be December 31, 2026; however, my last day in the office will be December 18th.

This issue of the Continuing Education newsletter will provide information regarding current community and career courses offered online.
These courses can be taken on your schedule and cover a large variety of topics.

FIND THE LEADER IN YOU & ENCOURAGE LEADERSHIP IN OTHERS

November reminds us that leadership is not simply about the responsibilities we carry, but the people who make our journey meaningful.
True leaders recognize that success is never achieved alone. It is built through the dedication, trust, and contributions of those around us.
As we reflect on what we are thankful for in November, may we remember that gratitude strengthens relationships, humility builds character,and appreciating others is one of the greatest gifts a leader can give.

"Never stop learning and adapting. The world will always be changing. If you limit yourself to what you knew and what you were comfortable with earlier in your life, you will grow increasingly frustrated with your surroundings as you age".
