The candidate will help develop a comprehensive athletic training program for the department.

The ideal candidate will have previous training experience with an understanding of the philosophy of an institution of higher education and its role in the overall college experience. Additional, non-athletic department responsibilities may also be assigned by the Director of Athletics.

DUTIES AND RESPONSIBILITIES:

- Provide coverage for all athletic teams during home events
- Responsible for working in conjunction with other health care providers with regard to student athlete care and rehabilitative protocols
- Stock and check out medical kits to traveling club sport teams
- Provide care for visiting teams when they are unable to provide their own medical staff
- Provide baseline testing and develop a return to play protocol for concussions
- Facilitate educational training programs for coaches, staff and athletic personnel with regards to basic taping procedures, basic injury care, and concussion signs, symptoms, and protocols
- Documentation of injury evaluation, treatment, and rehabilitative procedures
- Prepare end of the year reports of incidence of injury to the athletic director
- Provide scheduled walk-in care hours for athletes
- Provide students with preventative care taping techniques, injury evaluation, physician or other health care provider referral, and minimal rehabilitative care
- Act as a liaison between local physicians and physical therapist with the health care of students in mind
- Record keeping of walk-in visits, documenting use of service
- Develop, monitor and adhere to athletic training supplies budget
- Manage the training room, including hiring of student staff
- Other duties as assigned

REQUIRED QUALIFICATIONS:

- Bachelor's Degree in Athletic Training, Exercise Science, or related field
- Certification(s):
 - Certified as an Athletic Trainer by the Board of Certification (BOC) for Athletic Trainers.
 - Basic Life Support (BLS) and/or Cardiopulmonary Resuscitation (CPR) certification
- Licensure(s):
 - State of Colorado Department of Regulatory Agencies (DORA) License for Athletic Trainer
- Two years' experience working with athletic teams
- Ability to work evening and/or weekend hours
- Ability to travel
- Effective communication skills (verbal and written)
- Organization and human relation skills
- Ability to work well in a diverse environment
- Successful completion of background investigation prior to employment

- Understand and be committed to the philosophy, purposes, and goals of Trinidad State College and its administration

NECESSARY SPECIAL REQUIREMENTS:

- The successful candidate must submit to and successfully complete a post-offer, pre-employment background check.

SALARY:

Salary is \$45,000 - \$50,000 based on experience. This position is a full-time, 12-month appointment with a full benefit package including health, dental, vision, and retirement.

ABOUT TRINIDAD STATE COLLEGE

Trinidad State College is designated as Hispanic Serving Institute (HSI), and is a state-supported, two-year institution of higher education. The College was established by an act of the State Legislature in 1925, and is the oldest public two-year college in the State of Colorado. The College's Service Area includes eight rural counties characterized by low population density and small communities. One campus is located in Trinidad and is a residential campus while the other, located in Alamosa, is a commuter campus. Both campuses serve distinct populations. As a comprehensive Community College, Trinidad State College not only offers ongoing transfer Associate of Arts Degree and Associate of Applied Science (vocational) Degree programs, but also has developed and implemented numerous successful short-term vocational certificate programs, and totally inclusive adult education and developmental programs.

About Trinidad, Colorado

A well-known landmark, Fisher's Peak, overlooks the City of Trinidad, which is nestled in a valley surrounded by pion-studded hills. Located 185 miles south of Denver, and just 15 miles north of the New Mexico border on Interstate Highway 25, Trinidad abounds in a panorama of mountain beauty. Ski slopes are within a 60-minute drive from the campus. Trinidad's nine-hole golf course is one of the best in the state. Trinidad Lake State Park, Bear, Blue, Monument and North lakes all offer outstanding fishing, boating, camping, hiking and outdoor recreation opportunities. Having a population of approximately 10,000, Trinidad is known for the convenience and friendliness of small-town living. The area is unexcelled for its moderate, dry climate.

About Alamosa, Colorado

The Trinidad State College Valley Campus is located in the San Luis Valley, which consists of six counties. Located in a broad, mostly flat valley, as much as 100 miles long and 75 miles wide, with an elevation of 7,500 feet at the Valley floor, the region is rimmed by high mountains to the north, east, and west, with elevations up to 14,345 feet. The Rio Grande River rises in the western part of the region and flows south into New Mexico. The region has an area of 8,180 square miles and a population of approximately forty thousand people.

Highway transportation in the Valley includes U.S. Highway 285, traversing the Valley from north to south, and U.S. Highway 160, which connects the Valley with Interstate 25 to the east. Rail service to many communities in the region is provided by the Denver and Rio Grande Western Railroad. Alamosa is served by a commercial airline with daily flights to Denver and New Mexico cities.

Scenic and recreational attractions are another major resource of the San Luis Valley including the Great Sand Dunes National Monument; Wolf Creek Ski Area; Rio Grande and Gunnison National Forests; San Luis, the oldest city in Colorado; Conejos, with the oldest church; the old mining town of Creede; and the Narrow-Gauge Railroad, which runs between Antonito, Colorado and Chama, New Mexico over spectacular Cumbres Pass. Surrounding the Valley are the San Juan and Sangre de Cristo mountain ranges, with nine peaks rising above 14,000 feet.
